To Whom It May Concern:

RE: Reference for Michael Isgro

It is with great pleasure that I write this reference for a man so truly deserving of every word it says...

For the past few years I have known Mick, he has always stepped up to every challenge in life and not only met these challenges face-on, he has also shown strength of mind, courage and integrity along the way.

Training and heavy sparring with Mick started off as one of the hardest challenges I had faced for some years. His agility and keen mind knowing each and every move before I even knew the move I was going to make gave me instant respect and admiration for him. He lives and breathes his sport and truly cares for the outcome of those he trains.

As training progressed with Mick I too progressed swiftly which not only felt great but exceptionally rewarding. THANK YOU MICK for all you have contributed to me.

Always a friend

Sincerely,
Ben Doyle
